

Donations

Mission Statement: To provide nutrition education for the prevention of disease and promotion of health and wellness, to all members of the community, regardless of race, religion, income, country of origin, gender, education status, *creed, sexual orientation, disability, or any other distinction by which others may be classified.*

In conformance to our mission, we provide a learn abroad experience for college and university students that will enable them to have a cultural experience, while strengthening and developing knowledge and skills that will enhance their educational and professional pursuits. We're committed to providing free educational opportunities in the area of nutrition and health to local communities in which we serve.

Donations can be made for student expenses or for community service expenses. We currently operate in Barbados and all community expenses will be used for the citizens of that nation at this time. Please select the items to which your donations should be applied.
